New Event: Saturday Shiver”

Events at The New Wheatsheaf with Dr. Chill

The New Wheatsheaf, Castleford proved to be a great success for our April Chill, the atmosphere was very sophisticated and Cool. The weather was fantastic and people made use of the outside decking area, which gave us the idea of outdoor dancing and a BBQ, weather permitting. We have a licence to play music outside as well as inside. Come along and enjoy that Blues Room feeling to the coolest music in the North.

The New Wheatsheaf is a Fantastic venue with a marvellous in-house sound and light system.
